Service Tech 2

Description

As a Service Roof Laborer, your primary responsibility is to assist in various tasks related to roof repair projects. You will work under the supervision of an experienced service technician and contribute to the efficient completion of repair and maintenance tasks. Attention to safety protocols, physical fitness, and a willingness to work and learn in varying weather conditions are essential for success in this role.

Note:

This job description is intended to convey information essential to understanding the scope of the position and is not exhaustive. Duties and responsibilities may be subject to change based on project requirements and organizational needs.

Responsibilities

- **Perform Roof Repairs:** Aid in repairing damaged or worn-out sections of roofs by removing old materials, applying patches, and installing new roofing components.
- **Prepare Work Areas:** Assist in preparing the work area by clearing debris, setting up safety equipment, and ensuring proper access to the roof.
- **Handle Materials:** Transport roofing materials and equipment to the work site, unload materials, and organize them for efficient use by the service team.
- **Cleanup:** Participate in post-project cleanup activities, including disposing of debris, packing up equipment, and leaving the work area in a clean and safe condition.
- **Follow Safety Protocols:** Always adhere to safety guidelines and procedures to prevent accidents and ensure a secure working environment for yourself and your team members.
- **Communicate Effectively:** Maintain open communication with the supervisor regarding task progress, challenges, and any issues that may arise during the project.

Requirements

- **Physical Fitness:** Ability to perform physically demanding tasks, including lifting heavy materials, climbing ladders, and working at heights for extended periods.
- **Safety Conscious:** Strong awareness of safety protocols and a commitment to following them diligently to prevent accidents and injuries.
- **Team Player:** Capable of working effectively as part of a team, taking direction from supervisors, and collaborating with colleagues to achieve project goals.
- **Reliability:** Dependable and punctual, with a commitment to completing assigned tasks within deadlines and contributing to the overall success of roofing projects.
- **Flexibility:** Willingness to work in varying weather conditions and adapt to changing project requirements as needed. Weekends and some holidays
